To the best of my knowledge the above is true and correct. Initial \_\_\_\_\_

**Terms of Service**

In accordance with Akron Municipal Codes 2-5-2 through 2-5-7, all new customers whether renting or buying must pay a \$50.00 meter deposit before services may be initiated.

In the event a customer should move to a new location which is still within the town limits, the meter deposit may be transferred.

Bills are rendered on a monthly basis. They are due on or before the 20<sup>th</sup> of each month, and become delinquent after that date. At that time late charges are added. If the bill is not paid by the end of the month, service will be disconnected. If service is terminated for nonpayment, a reconnection fee of \$25.00 will be added and service will not be reinstated until the full amount owed is paid.

It is understood and agreed that the customer is to protect the water meter from frost and other damages, and the Water Department will not be responsible for said damages should they occur. The same is to be said for the water pipes. If a town pipe breaks, the town is responsible for the water; however, if a pipe belonging to the home owner breaks or has a leak, you are responsible for the water usage and bill.

When a customer terminates their water service, the balance owed on the final bill shall be refunded within 15 business days.

I ACKNOWLEDGE I HAVE READ AND AGREE TO ABIDE BY THESE TERMS OF SERVICE.
